

ACKNOWLEDGEMENTS

We are very grateful to the following people on the project steering group who gave us assistance with this project: Patricia Donnan (Project Manager) and Keith Miller (Health Estates Agency) and Louise McAlavey [Environment and Heritage Service (EHS)]. We would also like to thank our key contacts in the Health Trusts who tirelessly gave their time, support, expertise and knowledge throughout the course of this project namely Alistair Donaldson and John Brolly (Northern Trust), Myles Smyth (Western Trust), Brian Quinn (Southern Trust), Sean Curran (Belfast Trust), and Bill McClements (South Eastern Trust).

Many other members of staff at each Health Trust and hospital site too numerous to mention provided assistance during this project and we wholeheartedly thank them all. We would also like to thank all members of staff, patients and members of the public who returned the social questionnaires providing invaluable feedback to the project team.

The following individuals and organisations also kindly provided advice and information: Gavin Doherty, and Brendan Smith (Health Estates Agency), Terence Reeves Smyth (EHS Built Heritage Section), Derek Sweetnam (Highways to Health), Dr Matthew Jebb (National Botanic Gardens, Dublin), Mags Bainbridge, Tony Waterman, and Paul Corbett (EHS), Ronnie Faloon (Northern Ireland Roads Service Northern Division), Elaine Burnside and Ann Valentine (Planning Service Northern Ireland), Dr Christine Butler (Department of Agriculture and Rural Development), David McMullan, John Griffin and Mark Parker (Forest Service Northern Ireland), Phillip Allen (Knockbracken Healthcare Park), Stephen Nelson and Philip Boyd (Building Design Partnership), David Clark (David Clark Landscape Architects), Maura Pringle (Map Curator, Queen's University Belfast), Robert Rozell (Fisheries Conservancy Board), Andrew Boe (M. Large Tree Services Ltd.), Dr John Faulkner (County Armagh Wildlife Society), Shane Ellis (Northern Trust), Emma McLaughlin (Coleraine Borough Council Biodiversity Officer), Ruth Wilson (Antrim Borough Council Biodiversity Officer), Susan Gass (Derry City Council Biodiversity Officer), William McMahon, Sian Thomas (Woodland Trust UK), Sue McBean (Route Naturalists' Field Club, Coleraine), Mark Bryson and Kieran Croskery (Ecoseeds Ltd.), Jack Chestnut, Dianne Keyes, Ivan

Black and co-workers (Conservation Volunteers Northern Ireland), Maurice Hughes (Butterfly Conservation), Rivers Agency staff (Armagh, Coleraine and Lisburn Offices), Robert Scott and Orla Maguire (Belfast City Council.), Laverne Bell (Quarry Products Association Northern Ireland). Philip Allen (Environmental Officer, Knockbracken Healthcare Park), Janice Trainer and Lesley English (Burn Equestrian Centre, Knockbracken Healthcare Park), Liz and Samuel Henry, Lynne Rendle (CEDaR, Ulster Museum) and Kelly Muldoon (Northern Ireland Environment Link). Finally Aulino Wann & Associates would like to thank their subcontractors Anja Rosler (mammal worker), Mark Smyth (bat worker) and Kevin MaWhinney (bird worker) for their hard work and dedication to this project.
