Title (Mr , Mrs, Dr)

Other names

I wish to have my retirement benefits paid as a once and for all lump sum.

I understand that this lump sum payment will not affect any benefits that may become payable to my dependants. A pension or allowance will be paid to them in the normal way.

I understand that if the payment of the lump sum causes me to exceed the lifetime allowance, then the amount in excess of the lifetime allowance will be taxed at 55%.
