Equality Implications

Section 75 of the Northern Ireland Act 1998 requires Departments and other public authorities in carrying out their functions relating to Northern Ireland, to have due regard to the need to promote equality of opportunity:

- Between persons of different religious belief, political opinion, racial group, age, marital status or sexual orientation;
- Between men and women generally;
- Between persons with a disability and persons without; and
- Between persons with dependants and persons without.

In addition, without prejudice to the above obligation, public authorities must also in carrying out their functions relating to Northern Ireland, have regard to the desirability of promoting good relations between persons of different religious belief, political opinion or racial group.

Where there is evidence or an indication that an existing policy is having an adverse impact on equality of opportunity, or that a proposed policy may cause an adverse impact, an **Equality Impact Assessment (EQIA)** may need to be carried out on the policy. The process used by a public authority
