

Instructions for printing - A5 leaflet form

- Print slides 1 and 2
- Collect pages and re-insert into the printer, the page with slide 1 on top.
- Print slides 3 and 4. (*This should mean that you have printed slide 3 on the back of slide 1 and have printed slide 4 on the back of slide 2*)
- Place the second page (slides 2 and 4) on top of the first page (slides 1 and 3) and fold both in half.
- Staple in the fold to secure
