- Numerators of less than 5 and their associated denominators are not reported for confidentiality reasons.

<sup>1</sup> A description of the numerator and denominator for each indicator can be found in the Statement of Financial Entitlement (see QOF Links page).

<sup>2</sup> An explanation of how points achieved are calculated can be found in Part 2 of the Statement of Financial Entitlement (see QOF Links page).

<sup>3</sup> For each practice the underlying achievement is the numerator divided by the denominator for each indicator.

For some indicators, points are awarded on a sliding scale based on the level of underlying achievement. Practices will achieve maximum points if their underlying achievement is greater than or equal to the upper threshold of the scale, practices can therefore have 100% points achievement with an underlying achievement of less than 100%.
