

# Do you have hepatitis C ?

Did you get it following a blood transfusion or treatment with blood products provided by the HPSS/NHS ?

## If so you may be entitled to an ex gratia payment

People who were infected with Hepatitis C as a result of receiving HPSS/NHS treatment with blood or blood products before September 1991 can now apply for a payment from the Skipton Fund.

The Skipton Fund operates throughout the UK – making payments to people who were infected in England, Northern Ireland, Scotland and Wales.

Everyone who is eligible will receive a lump sum payment of £20,000. People who develop a cirrhosis or liver cancer or have had a liver transplant are entitled an additional £25,000. Further information can be obtained from the Skipton Fund.
