Chief Executive, Regulation & Quality Improvement Authority  
Chief Officers HSC Councils  
Chief Executive/Postgraduate Dean, NIMDTA  
Chief Executive, NIPPET  
Chief Executive, NIPEC  
Chief Executive, RMSC

Dear Colleagues

**NICE Clinical Guideline No 60 – Surgical Management of Children with Otitis Media  
Effusion**

The advice in the NICE guideline covers:

- the surgical management of OME in children younger than 12 years
- guidance for managing OME in children with Down's syndrome and in children with all types of cleft palate.

It does not specifically look at the management of OME in:

- children with other syndromes (for example, craniofacial dysmorphism or polysaccharide storage disease)
- children with multiple complex needs.

DHSSPS advises that this appraisal guidance is valid for Northern Ireland and endorses it for implementation in HSC.

The full NICE clinical guideline is available for download at:

<http://www.nice.org.uk/guidance/index.jsp?action=byID&o=11928>

The HSC sector also should note that;

1. The Department expects HSC organisations to take account of this guidance in the planning and delivery of services to patients with otitis media with effusion.
2. This advice does not override or replace the individual responsibility of health professionals to make appropriate decisions in the circumstances of their individual patients, in consultation with the patient and/or guardian or carer. This would, for example, include situations where individual patients have other conditions or complications that need to be taken into account in determining whether the NICE guidance is fully appropriate in their case.
3. This guideline will be reviewed by NICE as and when required.
4. NICE has developed tools to help organisations implement this guidance. These are available at <http://www.nice.org.uk/guidance/index.jsp?action=byID&o=11928> and include costing tools, implementation advice and audit criteria to monitor local practice.

All NICE guidance endorsed by the Department to date can be accessed on the DHSSPS website at <http://www.dhsspsni.gov.uk/sqsd-guidance-nice-guidance>

Circular HSS (PPMD) (NICE) 01/006 issued on 30 June 2006 provides further information on the Northern Ireland process for reviewing NICE guidance and further details on the local status of the Institute's guidance. This circular can be accessed at: [http://www.dhsspsni.gov.uk/nice\\_guidance\\_01-06.pdf](http://www.dhsspsni.gov.uk/nice_guidance_01-06.pdf)
