Dear Colleague

### **SMA INFANT FORMULA PRODUCT RECALL OF SPECIFIC BATCHES**

Specific batches of SMA Gold and SMA White are being withdrawn as a precautionary measure because of a possible link with a case of infant botulism.

Please see the attached letter CEM/CMO/200179 from the Food Standards Agency which gives details of the products affected and the SMA Careline number (0900 212002) if further advice is required.

Yours sincerely
