

## **Draft Smoke-free Regulations 2007 – E-Consultation on-line response**

### **Individual/Unclassified Response No.20**

1: YES

Q1a: The public should also have smoke free access to any public building. ie no smoking just outside the smoke-free building, as is the case in the Republic of Ireland.

Q2: YES

Q2a: If you wish to comment, please do so here

Q3: NO

Q3a: A voluntary agreement will not protect employees from second-hand smoke. What this draft proposal is saying is that community based workers are less entitled to have smoke free workplaces than those who work in public buildings. This is especially true and shameful when the employee is pregnant and/or for health reasons affected by smoking especially.
