

Draft Smoke-free Regulations 2007 – E-Consultation on-line response

Individual/Unclassified Response No.4

Q1: NO

Q1a: All areas should be designated as non smoking. It should be the responsibility of smokers & their supporters to display signage where smoking IS allowed. Why should non smokers have to pay for signage. Smokers have always considered that smoking is allowed anywhere & consequently have always "lit up" as and where it suited them.

Q2: NO

Q4: NO

Q4a: I am led to believe from press reports that areas such as prisons will be covered by legislation under Prison Rules. There have (supposedly) been non smoking areas in prisons for a number of years. Smokers of all ranks have ignored these areas and lit up as & where, on the grounds that they have a right to. I believe that prisons should be subject to the same legislation as any other area in the country. My health has been subject to passive smoking for too many years.
