Data Source: Payment Calculation and Analysis System (PCAS) as at 31 March 2005, taking account of locally resolved adjustments up to 30 June 2005.

^P Note that some LHSCG totals may be provisional, due to practices entering the formal disputes process.

¹ Three practices in one location in East Antrim LHSCG appear as one entry as their data cannot be split due to the practices having a shared server.

² Points achieved figures are presented to one decimal place, however their exact value is used in any calculations of totals or percentages, therefore the figures may appear to not add up.
