[⊖] This group includes some Personal Social Services care staff.

* Workforce figures exclude bank staff, home helps and student nurses.

Bank and Home Help staff have been excluded from the data due to the variable nature of their employment. It should be noted that any individual can contribute to the HPSS workforce in more than one aspect or even within more than one Trust. As a result these multiple records have been removed from total employee headcount but have been retained for WTE and all other breakdowns.
